ABOUT US

Established in 2014, Priority Confex is an exhibition stand contractor company that specializes in designing and building outstanding custom exhibition stands and retail environment displays.

Six years since our establishment, we have helped businesses from 12 countries all over the world.

Our approach to exhibition is simple: we work with and listen to our clients by offering innovative solutions and exhibition services as well as completing project on time and within budget!

We place customer satisfaction at the core of each of our business decisions and put our clients as our #1 priority. We truly care about your event as much as you do, which is why we offer our tremendous passion and effort in every project we work on.

Who We Are

Supported by the people behind the company with more than 20 years of experience in the exhibition field, ranging from highly-trained project management, designer and technical team, to turn our clients' ideas to life.

If you attend trade shows regularly we could arrange storage for your exhibition stand year after year. We'll be with you every step of the way; from the initial design stages through to installation and beyond to ensure everything runs smoothly.

The Projects

Priority Confex has significant experiences with more than 500 projects delivered to our 110 satisfied clients.

With experience and expertise with local market trends, culture and business practice, we are committed to deliver the most professional service with international standards.

Over the years we have become a renown exhibition stand supplier because we provide a full in-house service: we design, we manufacture and we install your exhibition stands and ensures that our works are functional, effective and affordable to provide maximum impact and results for your promotional investments.
